With 6 years of work in the agency & 3 years in Multi-Industry Company require pressure on time & high demand from customers (Cheil, Samsung mobile, Nestle, FrieslandCampina, Dutch Lady, Leo Burnett etc ...). I have earned a lot of experience in managing client & Partner, planning, teamwork, problem solving. Currently I am looking for project management position in marketing domain. I believe I will solve the problems quickly and complete the projects on time with quality.
