Total Experience (Years and Month)	8 years	DXC Experience (Years and Month)	4 years
Current Job Title	Software Engineer	Time in Current Role	8 years
Visa / Work permit	Viet Nam	Validity Date of Visa / Work Permit	N/A
Willing to Relocate	Yes	Willing to Travel	Yes

I joined DXC in February 2015 as Software Engineer for RSS project. This project used Window Form of C# to build software manage documents concern with medicines. I implemented functions by C#, wrote form which was used to display metadata, wrote Archive module which was used to archive documents, implemented validations to validate documents. From March 2016 to May 2017, implemented decoupling Logic and UI, refactored this software use WCF and unity.

Since June 2017, I joined Viewer team, implemented functions display information of medicine documents. Fixed bugs, deployed Viewer on IIS, deployed Viewer in QC environments, used telerik framework and ASP.net webform.

Before joining DXC, I worked as software engineer in Vn Resource.
