Applicant for:

Web Developer (.NET, C#, ASP.NET)

Starboard Asia Co.,ltd.
6 June 2019

An Tran

✉ tranthaian3591@gmail.com

1.What skills, work projects or achievements make you a strong candidate for this position?

2.When will you be able to join a company?

Note from ITviec: An Tran skipped the cover letter.

Tran Thai An

Software Engineer

Date of birth:	May 03, 1991
Gender:	Male
Phone:	+84 9 02 03 05 91
Email:	tranthaian3591@gmail.com
Address:	04 Trinh Dinh Thao, Hoa Thanh Ward, Tan Phu district, Ho Chi Minh City

ABOUT ME

I'm An, a young guy, like to make friends, love sports, hard working and has the learning spirit.
I joined DXC in Feb 2016 as an Associate Software Engineer in GLS RSS project (one of the oldest project in this company). My role consists of building and maintaining the eCTDXPress – DXC's electronic common technical document (eCTD) publishing the solution for the life sciences industry based on ICH and regional agency requirements.

Through each stage of this project, I gained for myselft a lot of experience from winform application skills to web application skills.

PROJECTS

Wesite Product Information Project
(2019 - Present)

Desciption	A Website that can show/add/update product information
Team size	1
My position	developer
My responsibilities	- Analysis and design - Development - Bug Fixing
Technologies used	- .Net framework (web API 2.0) , C# - Entity Framework 6.0 (code first) - SQL - Angular 7 - Material UI - Typescript - HTML5 / SASS

Manage People Information Project (Winform Application)
(2019 - Present)

Desciption	A tool that can manage people information
Team size	1
My position	developer
My responsibilities	- Analysis and design - Development - Bug Fixing
Technologies used	- .Net framework 4.7.2 - Entity Framework 6.0 (code first) - SQL

Mutiple Language Project (Winform Application)
(2019 - Present)

Desciption	A tool that can translate the current language of winform application to the target language.
Team size	10
My position	Developer
My responsibilities	- Analysis and design - Development - Bug Fixing
Technologies used	- .Net framework 4.7.2 - OpenXLM

GLS RSS project (Webform Application)
(2018 - 2019)

Desciption	Migrate eCTDXPress winform application to web application
Team size	30
My position	Developer
My responsibilities	- Analysis and design - Development - Bug Fixing
Technologies used	- .NET Core 2.1 , C# - My SQL - Angular 6 - Material UI - Typescript - HTML5 / SASS - Javascript

GLS RSS project (Winform Application)

(2016 - 2018)

Description	TRS Publishing suite consists of four applications: eCTDXPress, Publisher, VLM and ISM. 1. eCTDXPress offers functionality for the building, reviewing, compiling, validating and archiving ofelectronic Common Technical Document (eCTD) submissions based on International Conference onHarmonisation (ICH) and regional requirements. 2. Publisher offers functionality for the building, reviewing, publishing and validating paper CommonTechnical Documents (CTDs), non-eCTD electronic submissions (NeeSs), legacy/rest-of-worldsubmissions, clinical study reports and other generic reports. 3. VLM (Virtual Link Manager) is an Adobe Acrobat plug-in for use as a standalone or integratedcomponent of eCTDXPress and Publisher. 4. ISM (Integrated Submission Management) is an administration and reporting console tool.
Team size	30-50
My position	Developer
My responsibilities	- Analysis and design - Development - Bug Fixing
Technologies used	- .Net Framework 4.6.1, C# - MEF framework - My SQL

Xtablish project

(2015 - 2016)

Description	Build a project base on CRM framework.
Team size	10
My position	Developer
My responsibilities	- Analysis and design - Development - Review code - Optimize code - Bug Fixing

Technologies used	- ASP.NET - Entity Framework - MVC
